SIX MONTHS OF CULTURE ACROSS THE CITY AND BEYOND

The Birmingham 2022 Festival, a six-monthlong cultural programme, takes place across Birmingham and the West Midlands this summer. It is the biggest celebration of creativity ever seen in the region and one of the largest ever cultural programmes to surround the Commonwealth Games.

There will be over 200 events including a spectacular open-air show, a brand-new Birmingham inspired album, an immersive 3D experience on public transport, photography exhibitions across billboards, a city centre forest of magical proportions, a tap-dancing record attempt and much, much more.

Hew Locke & Ikon Victoria Square, Birmingham

Birmingham's city-centre sculpture of Queen Victoria is reimagined by acclaimed Guyanese-British artist Hew Locke for the Birmingham 2022 Festival.

Originally unveiled in 1901, Sir Thomas Brock's marble figure of Queen Victoria was then recast in bronze by William Bloye and members of Birmingham School of Art in 1951. Locke's vision is to create "an object of veneration, leading a battalion of other statues to represent the home nation throughout the Empire".

Locke's interest in the power of statues originates from his childhood in Guyana where he passed a sculpture of Queen Victoria every day on the way to school. He has been reimagining historical statues for twenty years. Commissioned by Ikon, this is Locke's first temporary public sculpture.

EDWARDIAN TEAROOMS AND GIFT SHOP REOPEN

Birmingham Museum & Art Gallery has unpacked a series of pop-up displays and live events that bring a different feel to the historic building for the Commonwealth Games and Birmingham 2022 Festival.

The Round Room, Industrial Gallery, Edwardian Tearooms, Gallery 10 and Birmingham Museum & Art Gallery Shop are now open seven days a week. The Bridge Gallery has also reopened to showcase items from the civic collection and invite feedback on what people want to see from the museum when it reopens fully in 2024 after all maintenance works have been completed.

The partial reopening is taking place while Birmingham City Council's essential electrical works programme continues safely in other areas of the building.
